Support the College of Nursing's new Alumni Student Practice Lab

The State of Wisconsin has made an investment in the renovation of the Clow Complex of buildings, modernizing the College of Nursing with updated technology, a new Simulation Center and an expanded Graduate Lab. Based on alumni feedback, an Alumni Student Practice Lab is paramount to the learning process. We need your support to purchase the stretchers, mannequins and lab equipment essential for this new 1,550-square-foot lab space.
